

Wielkanocne życzenia świąteczne

A decorative Easter greeting card. The background is a light-colored, distressed wood texture. A branch of white cherry blossoms with green leaves runs across the top. A purple and white checkered ribbon is draped across the top and bottom. Several decorated Easter eggs are scattered around: one pink egg with a white flower at the top, and several others with red and white stripes or pink flowers at the bottom. The text is written in a green, slightly cursive font on a white rectangular background in the center.
